Instructions

Bun

Cast on 32 sts in the round, careful not to twist.

Round 1 (RS): (K1, p1) until end of round.

Round 2 (WS): (P1, k1) until end of round.

Rounds 3-30: Repeat rounds 1, 2. Bind off in pattern leaving a 6-8" tail.

Finishing

With BO tail, use a darning needle to seam together cast-on and bind-off rounds together using your preferred seaming method. begin filling inside of bun at approximately the halfway point and continue stuffing as the seam is worked. Stuff until bun is firm before finishing seam and weaving in ends.

Alteration Suggestions

-For thicker hair, cast on more stitches in multiples of two.

-For thinner hair, subtract stitches from cast on in multiples of two.

-For larger bun, work extra rounds in multiples of 2.

-For smaller buns, subtract rounds in multiples of two

- For more textured hair, work with smoother yarn like bamboo or silk.

-For more textured hair, work in either stockinette or reverse stockinette stitch rather than seed
