Melchior Scarf

This deceptively simple cable scarf was inspired by Spring Awakening. The pattern is designed for the adventurous beginner crocheter, and is accompanied by a step-by-step YouTube tutorial found at The QUOE Podcast. Tag us in your finished project photos on Instagram @portquoelio, using the hashtags #Melchiorscarf and #QUOE. *This pattern is made free due in part to a collaboration with adzewoodcraft.com, who supplied the hook used in the video tutorial.*

This pattern is dedicated to Madison Gable.
